MEMORANDUM FOR: Chief, Audit Staff

SUBJECT : Settlement of Allowance Differences Where Combined
Difference in Salary and Allowances Due [REDACTED]
Amount to \$300 or More Per Annum

25X1C4a

1. This concerns your memorandum dated 10 February 1959 under the above subject in which you point out that current procedures for pay allowance differences to [REDACTED] employees at Class B Stations is not entirely consistent with [REDACTED]. You also recommend certain procedural changes to accomplish the payment of allowance differences each pay period.

25X1C4a

2. To administer the settlement of allowance differences for all [REDACTED] personnel located at Class B Stations on a pay period basis as recommended, would entail a substantial increase in work load with the end result that a comparatively small number of employees concerned would benefit from such procedure. However, we recognize that in some instances it would be desirable from the employees' standpoint to make settlement more frequently than annually. We have, therefore, requested our Technical Accounting Staff to award [REDACTED] to permit more frequent settlement of allowances.
